Welcome to CCII

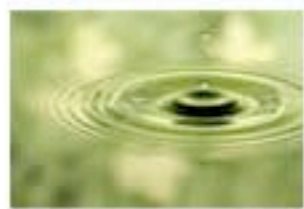

Welcome to Capital and Credit International, Inc. (CCII) where we recognise that no two investors are alike - each has their own dreams and financial needs. We provide high calibre financial services to individuals and institutions both locally (US) and internationally with a Caribbean-centric focus. CCII offers personalized wealth and asset management services for equities, mutual funds, fixed-income securities, government securities and more. Put the power of our US and emerging markets experience to work for you. [more](#)
